I Chronicles 16:29

4th-6th graders

Jacob gave God a tithe of all God gave him. A tithe is 10% or 1/10th. God blessed Jacob and gave him many things: a home, a family, food and health. Jacob knew that all the good things were from God, so he gave back to God 10% or 1/10th of all he got.

God promises to give blessings to us when we tithe. Most Christians tithe even today. If a man makes \$100, he gives \$10 of it to God.

John made \$5.00 shoveling snow. He divided it by 10 to find out how much the tithe was. He gave 50 cents to God and saved back \$4.50 for himself. That is how it works.

Mary babysat for \$2.00 and got 75 cents for her allowance. She also got \$9.00 for her birthday. How much is her tithe? _____

Steven pulled weeds for 40 cents, did dishes for 15 cents and cut the grass for \$2.00. How much is his tithe? _____

Susan got \$1.00 in a birthday card. She tithed it. How much did she give to God? _____

Tim had a summer job. He pulled weeds for Mrs. O'Henry. One week he made \$14.00. If he gave God the tithe, how much did he put in the offering plate?_____
