DIRECTIONS: COLOR, CUT OUT, ATTACH MAGNETS, and LEARN the VERSE.

John 8: 12 Jesus said, "I am the light of the world. Whoever follows me will never walk in darkness but will have the light of life."

How to play the game. You need at least two people to play but you can do it with lots of people. Choose a coin or a small toy to be your marker as you travel from start to finish. You will also need one dice. Take it from another game in your house. Take turns. If you land on an orange dot, answer an orange question correctly and move up two. If you land on a blue dot, answer a blue question correctly and move up the number of spaces on the card. Slides only go down. Ladders only go up. You only use a slide or a ladder if you land on the space above the slide or below the ladder. First one to finish wins.

This is the answer key for the big game. In case you are not sure what the answer is, you can check each other. (Or sometimes Moms and Dads need an answer key.)
