4th-6th Graders: Jesus angered the Pharisees by not obeying their Sabbath rules. He had created the Sabbath for us. And the Pharisees had made it into a long list of what they could not do, instead of it being a blessing. The Sabbath is a day of rest. How do you spend Sundays? In the house I grew up in, we went to Sunday School, worship, and then had a big dinner. After dinner, we all took naps. Sometimes we played wiffle ball in the yard or played in the snow in the afternoon. Then we went back to church for youth group and evening worship. It was not a day for chores, or shopping or sports or homework or work of any kind, other than washing the dishes after dinner. Watch what your family does this Sunday and write it down on the lines below.

This Sunday, our family did this:

Were the things you chose to do restful?

Did you make time to worship God?

After God spent six days creating the world, what did He do on the Sabbath?
